**DIRECT DEPOSIT INFORMATION AND CONSENT FORM**

With Direct Deposit 100% of your net pay will be electronically deposited into your checking account the same day you would normally receive your paycheck. This will eliminate a trip to the bank. So even if you are on vacation, ill, or do not have time to get to the bank, your money will be automatically deposited. Direct Deposit also eliminates the possibility of lost, stolen, or forged signatures on checks.

You can view your pay stub online detailing the amount of the deposit, tax deductions, etc.
